

PLANNING

((Note "you" generally refers to the organisation.))

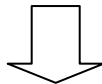

Find out about your organisation

- Who
- Interests
- Skills
- Ages
- Gender Ratios
- Abilities
- Disabilities
- (demographics)

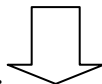

Think about what you do now

- Why do you do the things you do?
 - Why do "you" exist?
- Are you achieving what you want to achieve?

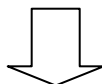

Determine Need

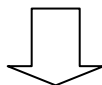

(Determines Outcome(s))

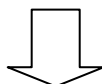

Determine why it is important to address this
need
(Justify)

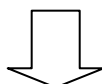

Determine how

Design a strategy to address the need

Implement the strategy

Evaluate

Think about:

- ❖ Who
- ❖ What
- ❖ When
- ❖ Where
- ❖ Why
- ❖ How
